Health Department Marriage
Records
of
DeKalb County

1882-1894

Fayne E. Harter
Fort Wayne, Indiana
April 1997

These records were recorded in the HEALTH DEPARTMENT OF DEKALB COUNTY, INDIANA beginning in 1882 and copies were sent to the Indiana Department of Health. In 1997 the records are located in the Clerk's Office of DeKalb County.

The Clerk's Office Marriage Records vary in name and in the number of marriages with these Health DePartment Records. In rare cases when a bride/ groom name or date was missing I did abstract it from the Clerk's Office Marriage Records.

I have copied the name as given, even the errors. Often the index will list variations of names. Sometimes if the bride was married previously, her previous husband's family name is given. If the groom was living outside Indiana his residence is given.

A most hearty THANK YOU to all the personal in the Clerk's Office for their splendid co-operation. These records could not have been copied without them.
